Dear Residents,

At the beginning of 2022 council approved the purchase of E-Notices for the Munisoft system (the program used to keep records for the town).

This new addition will allow us to send out utility, tax notices and receipts by e-mail. This will help to reduce the cost of postage, envelopes and allow your notices to arrive promptly.

If you would like to receive your utility and tax notices by e-mail, please complete the bottom of this letter and return to the Town Office or by e-mail at town.craik@sasktel.net

Thank you!

I _____ would like to sign up for E-Notices for utility and tax notices effective immediately.

My e-mail is _____.
